Quotes:

"In the first two rounds I drew a couple of really tough bulls," said Petersen. "I bucked off the first one and they called me for slapping the second (when I watched the replay I don't think I did, but that doesn't change what the judges thought they saw). I rode my third round bull but didn't get enough points to make it matter. I'm healthy and riding well, so I'll just keep trying hard and be ready for Detroit. We only have three events until the break and I'm going to try to make the best of them."

Petersen has been in the top 15 of the PBR standings for the first 19 events of the season.
