Meiers Wins In Chicago

Austin Meier, Kinta, OK cowboy and a new Team ASE/Herculiner Truck Liner Helmet Decal wearer, won the event in Chicago last weekend, *"This is just awesome! I give the glory to God for this because without Him I couldn't have done it. This was a big win financially and an important win for me in the 'Rookie of the Year' standings."*

Meier was matched with Palace Station Deuces Wild in the short round and the ride helped him clinch the event title (it was a rematch). Explained Meier, *"Actually, I had him last weekend in Detroit and wasn't able to ride him (I lasted 4.5 seconds, to be exact). I made some adjustments this weekend because I noticed that he kind of moves forward when he blows out of the chute...I was better prepared for that this time." Palace Station Deuces Wild has been ridden eight times in 24 BFTS career outings.*

"It wasn't a bad event for me," said Petersen. "I rode two of my three long round bulls and made it to the short round. Unfortunately, Smokeless Wardance got me in the last round, but I finished in the top ten. So, I did all right and I got to meet some great folks from one of my sponsors (Herculiner Truck Liners). I feel great and am ready for Nampa."

Notes:

Petersen has been in the top 15 of the PBR standings for the first 19 events of the season. This weekend's top 10 moved him up one position to 11th.

Quotes:

"I feel great but it's still a wait-and-see on my elbow," said Henricks. "I'd love to go to Nampa this weekend and am not happy that there's a break coming up. Realistically, though, that will give me time to go to some Challenger Tour events and be ready for the next BFTS."
