"THE TOUGH COMES EASY"[™]

BRUSH-ON TRUCK BED LINER KIT

A Complete Ready-To-Use Kit *

- One gallon of ready-to-use protective coating
- One application brush for tight spots and corners
- Two rollers for easy/even application
- One roller handle
- One abrasive pad to prepare truck bed

**IMPORTANT: This kit contains one (1) gallon of HERCULINER coating which is sufficient to cover one (1) six-foot truck bed. Eight-foot truck beds will require one (1) additional quart of coating.*

STEP 1

PREP

Clean, scuff and mask the truck bed.

STEP 2

APPLY

Brush or roll on the ready-to-use coating.

STEP 3

DRY

1-3 hours to the touch. Ready to use in 9-12 hours.

Advanced Polyurethane Protective Coating-

Polyurethane Base

- Same durable base used in professional spray on liners
- Bonds to itself for easy repairs

Virgin rubber granules

- Pre-mixed with polyurethane
- Forms a skid-resistant textured surface

Revolutionary curing process

- Reacts with moisture in the air to cure
- Chemically bonds to surface

HERCULINER is a protective coating for pick-up truck beds.

Polyurethane coatings can also be used for:

- Automotive undercoating • Trailers • 4x4 Tubs
- Boat decks • Terraces & decks • Walkways • Steps
- Vinyl tile floors and work areas

Polyurethane coating can also be applied to:

- Docks & ramps • Metal • Concrete • Wood • Fiberglass
- Most Plastics including PVC • Rubber
